

27th Annual AWA
October 11, 2018
Music City Center
Davidson Ballroom

Each year, the YWCA pays tribute to women whose lives have made notable contributions to both the city of Nashville and the support of other women through the Academy for Women of Achievement (AWA). As part of this tradition, we also honor a Middle Tennessee company for its demonstrated commitment to the career advancement of its female employees.

The AWA awards ceremony attracts more than 700 of Nashville's most influential business professionals and community philanthropists. AWA directly funds the YWCA's mission to empower thousands of clients each year, all who desire a better quality of life for themselves and their families and to achieve self-sufficiency.
