

YWCA NASHVILLE & MIDDLE TENNESSEE

FULCRUM Society

OUR MISSION

The Fulcrum Society is a group of women philanthropists whose support is critical to the YWCA's mission of empowering women and girls. They are leveraging their support and influence to create opportunities not found anywhere else in Middle Tennessee. Fulcrum Society Members are responding to the YWCA's rich history by investing directly in the life-saving and life-changing programs that impact thousands of women and girls each year through the Weaver Domestic Violence Center and Girls Inc. clubs. Fulcrum Society members are ensuring the YWCA's 122-year old legacy will continue to grow, flourish and extend into the next century.
