SIGNS OF DOMESTIC VIOLENCE

Telling you that you never do anything right

Showing extreme jealousy of your friends or time away from them

Preventing or discouraging you from spending time with friends, family or peers

Insulting, demeaning, or shaming you, especially in front of others

Preventing you from making your own decisions

Controlling finances in the household

Pressuring you to have sex or perform sexual acts you're not comfortable with

Pressuring you to use drugs or alcohol

Intimidating you through threatening looks or actions

Insulting your parenting or threatening to harm or take away your children or pets

Intimidating you with weapons like guns, knives, bats, or mace

Destroying your belongings or your home

The global pandemic of COVID-19 has exposed the hidden pandemic of domestic violence, and beauty industry professionals are in a unique position to combat both of these public health emergencies. BARBICIDE® is proud to partner with YWCA Nashville & Middle Tennessee to educate the beauty industry on domestic abuse and offer resources to victims. If you or someone you know needs help, please tear off a number below and call your country's crisis line.
